Dear *Emile Ferreira*

Congratulations! You are a winner!

On behalf of Innovus, Capitec and Entersekt, it is my pleasure to announce that your team has been selected as the first prize winner of the Fintech Challenge in the 2019 SU Hackathon in partnership with Stellenbosch University and Innovus and sponsored by Entersekt, Capitec and Explore. Thank you for your participation and your hard work!

Your team's prize will be divided equally between the members of your team. To claim your portion of the prize, please email your banking details to Camille de Villiers at cdevilliers@sun.ac.za.

Sincerely,

ANITA NEL
